The Lamb's Workshop

School Home Connections

Children love to play out in the snow, here are some great activities that will keep them laughing and learning all winter long.

This activity is great when children come in to warm up after a long day of playing outside. All the fun of snow-with none of the freezing temperatures.

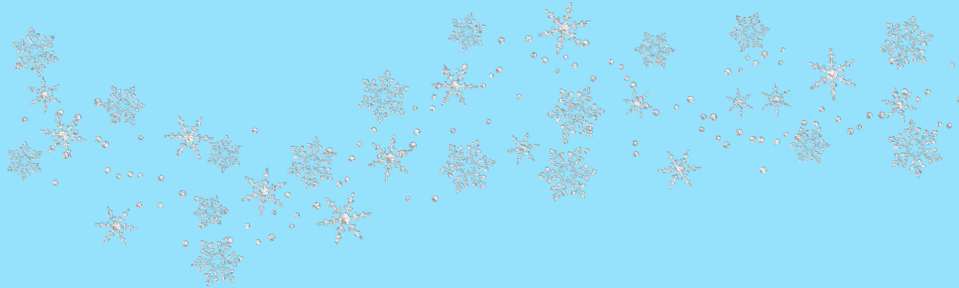

[Snow Dough](#)

This activity is for all of our budding scientist who want to know the answer to the mystery of the melting snowman.

[Snowman Science](#)

This activity is great outside, so gear up and get playing.

Lamb's Sunday at Bethany Covenant

We invite everyone to attend a special service on January 14th to highlight the wonderful work that The Lamb's Workshop does in the community. This is a great opportunity to connect with alumni students, learn more about the school and how we partner with Bethany Covenant Church, as well as hear about plans for the future. You can attend one or both services!
