NOVEMBER

Dear Parents,

November is a busy month in Kindergarten! We will continue to work on our sight words, letter sounds, number concepts, and "Brave Kindergarten Writing" . We will spend time this month remembering all that we are thankful for and thanking God for these things.

We will NOT have school on Wednesday, November 11th, as we celebrate Veteran's Day.

We will be making "Stone Soup" and a Friendship Mix for our Thanksgiving "Feast" on Monday, November 23rd (we'll assign items for your child to bring in for this special day).

Don't forget that we try to go outside every day, even if just for a little bit. Practicing zipping and buttoning coats as well as putting on gloves and mittens at home helps us to get ready quicker at school and allows us more time outside.

When snow starts to accumulate, please pack your child's snow gear in a reusable shopping bag labeled with their name. If your child is in Kindergarten Enrichment, please pack 2 pair of mittens and a spare pair of socks.

Also, if you haven't done so already, you may want to update the backup clothes that we keep in the classroom to warmer items.

Thank you for sharing your children with us. We are blessed to have them - especially this year!

Happy Thanksgiving and God bless you and your families!

Blessings, Maureen & Jodi
