January

Dear Parents,

Happy New Year! We hope you had a wonderful Christmas and enjoyed the break!

January is a busy month. Here are some of the highlights:

- ◆ We will **NO LONGER** have show and tell on your child's snack day.
- ◆ Throughout the month, you will notice "special dress-up and show & tell days". This is something fun to break up what could otherwise be a long month.
- ◆ We will be working on counting to 100, addition, identifying shapes, patterning, tallying, ten frames, and teen numbers.
- ◆ We will continue learning more sight words and doing activities to reinforce these words.
- ◆ We will begin reading groups and begin using the decodable books.
- ◆ Our V.I.L.s will continue this month. We have enjoyed learning more about our kids and their families!

The cold weather and snow has arrived and we will try to get outside as long as it is above 20 degrees. Please label **all** clothing as it is easy to lose a mitten here or a hat there when getting dressed. Also, please encourage your child to put on **every** piece of snow gear **on their own**, saving mittens/gloves for last, so they can zip up their coat on their own. Our outside time is dictated by how long it takes to get ready. Thank you!

Blessings, Health, and Happiness to you all in the New Year!

Maureen, Jodi & Sue
