

# March

Dear Parents,

**March is a BUSY month for us right from the start!**

The circus is coming to town on Wednesday, March 13th, at 10:00am in the Sanctuary! We are practicing the circus songs just about every day and the children have done a great job learning the songs. They sound great! When we return from break, look for a sign-up sheet outside of our classroom for help with some things.

**March is also the birthday month of Theodore Geisel, better known as Dr. Seuss. We will celebrate with lots of fun Seuss-related activities during the week of March 18th.**

As if that weren't a lot, here are a few more things we will be working on in March:

- Math journals
- Addition, subtraction, and story problems
- Sight words
- Short vowel sounds, CVC and CCVC Words, Blends and Diagraphs
- Word families
- Reading groups
- Writing

**Phew! Thankfully, March is a long month, so we should be able to fit it all in!**

Thanks so much!

Blessings,

Maureen, Jodi & Sue
