

April

Dear Parents,

With only three weeks of school this month, April is sure to fly by! We are in full circus mode, and will spend much of the month getting ready.

Conferences will be held May 17th through May 19th, via a Zoom meeting or an outside in person conference. More details to follow! Assessments will begin after spring vacation, and I will have end-of-the-year reports ready for you during conferences.

Although the May newsletter will have end-of-the-year information, I wanted to be sure that you **mark your calendars for Kindergarten graduation**. It will be held the morning of Friday, May 28th. I cannot believe I am writing about graduation already! The time surely does fly!

Blessings,

Maureen & Jodi
