

April

Dear Parents,

With only three weeks of school this month, April is sure to fly by! We still have so much to cover. We will continue to introduce new sight words and work on activities using these words, as well as continuing to work with word families and segmenting and decoding words. We will also continue to do work with addition, subtraction, story problems, etc.

Conferences will be held after vacation, on Wednesday, May 1st and Friday, May 3rd. Look for a sign-up sheet outside of the classroom before vacation. Assessments will begin later this month and I will have end-of-the-year reports ready for you during conferences.

Lamb's will be holding a coin drive this month for the Bedford Food Pantry. It will be fun to watch how the little change each child brings in, when added together with the change of others, can really make a difference!

Although the May newsletter will have end-of-the-year information, I wanted to be sure that you **mark your calendars for Kindergarten graduation**. It will be held on Friday, May 31st, at 9:30am. This is a special time, so please feel free to invite family and friends. I cannot believe I am writing about graduation already! The time surely does fly!

Blessings,

Maureen, Jodi & Sue

April in Kindergarten
