The Lamb's Workshop 4 Year Old Classes

Happy Spring! As the new life slowly colors the earth in shades of green and splashes of color, we encourage you to take some time to enjoy God's wonderful creation with your children. We will be discussing and preparing for Easter with Bible stories and special projects.

We will also hold a coin drive this month for the Bedford Food Pantry. It will be fun to watch how the little change each child brings in, when added together with the change of others, can really make a difference!
