

December

The Lamb's Workshop 3 Year Old Classes

Greetings to all Lamb's Parents!

The Christmas season is here and we hope to celebrate the true spirit of giving as Jesus' birthday approaches. We will be sharing stories, songs, poems and art projects to honor the birth of our Lord.

Your children are very special to the staff at The Lamb's Workshop and we are grateful to have the opportunity to nurture and love them. We treasure each happy face and rejoice at each tiny achievement. Let us all bask in the glow of God's love this Christmas season.

What We Are Learning:

COLOR: Green

GREEN day is December 20th. Please wear something **GREEN** that day!

SHAPE: Star 

THEME: Jesus' birthday, the true spirit of giving

BIBLE VERSE:

"Unto us a child is born"
Isaiah 9:6

Winter Weather Notice:

During the winter months, we will be taking the children outdoors for fresh air and play (weather permitting). Please be sure to send hats, **MITTENS** (no finger gloves), boots, and snow pants to school each day. Children who are properly dressed are allowed to play in the snow-covered area. Please **LABEL** all articles of clothing and boots with your child's initials. This is very helpful, minimizing the collection of lost garments.

The Staff at The Lamb's Workshop
wishes you and your family a joyous and safe
holiday season!

Practice: Please remember that we try to get outside for recess every day. Having your children practice putting their snow clothes on at home gives them a great sense of accomplishment and helps us to get ready quicker, allowing everyone more play time outside!

Thank you for your help with this!
