

December

Dear Parents,

Welcome to the December installment of our newsletter. We are so happy to share this wonderful season with you and your children. We know that a lot takes place during this busy time of year, so we have included some fun crafts and activities designed to slow things down a bit. I have also included some upcoming events from Bethany Covenant Church in case you are looking for a place to celebrate this Christmas.

Advent Season

This time of year is great for building family traditions and memories. We are reminded of the importance of keeping Christ at the center of Christmas. The advent book Truth in the Tinsel is a great way to dialogue about Christ's birth and bond over Christmas themed devotionals.

Check out the [book here](#).
